

22 September 2021
NZX Release

Modifications to Dividend Reinvestment Plan

Scott Technology (NZX: SCT) advises that the Scott Technology Limited Dividend Reinvestment Plan (**Plan**) Offer Document (and related Participation Notice) have been modified with effect from 21 September 2021. These modifications reflect:

- that the last date for applications to participate in the Plan is one business day after the record date for the relevant dividend payment, consistent with new NZX Listing Rule 4.8.2; and
- additional minor amendments.

A copy of the updated Plan Offer Document (and related Participation Notice) are attached.

Any enquires should be directed to:

About Scott

At Scott we automate the future. The production line machinery we design and build deliver productivity gains and exceptional reliability to many of the world's leading manufacturers. We also go a step beyond engineering production solutions to actually revolutionising entire industries – using robotics to automate manual processes and create genuine competitive advantage.

For over 100 years Scott has looked to tomorrow and rapidly responded to shifting needs. Today, we have production bases in the United States, Belgium, Czech Republic, France, Germany, China, Australia and New Zealand, customers in 88 countries, and a real commitment to developing new technology and bringing it to market. Across everything we do you will discover true quality, advanced engineering and a renowned design aesthetic.

Scott. Quality that lasts. Quality that inspires.
